F. No.05/IHA/Misc. Matters /2020

Dated: 10-10-2020

To,

All hostel Presidents

JNU

This is to inform you that the Hostel Administration desires to have student participation in an effort to facilitate the return of the research scholars (those in 9(b) and the terminal stage) in a phased manner. The uncertainty surrounding the potential spread of the COVID19 virus and the threat it poses to the entire campus community would require adequate brainstorming on the manner and steps to resume research activities and simultaneously ensure health security of students, staff and faculty.

All the hostel presidents are requested to meet with one another through online medium and prepare a blueprint to manage the phased entry of the research scholars (those in 9(b) and the terminal stage) to the hostels and the steps required to ensure proper adherence to the COVID19 related guidelines. Needless to say, every student should be held responsible for his/her health security and violation of guidelines by any fellow student should be strictly dealt with.

Yours sincerely,

(Prof. Sudheer Pratap Singh)  
Dean of Students
