OFFICE OF THE REGISTRAR

No. 02/Corona (Covid-19)/Misc./2020

4 November 2020

**Notice on Covid19 cases**

This is to make the campus community aware that the total number of cases of COVID19 infection in the campus has crossed well beyond a hundred. In last two days, about 15 such new cases have come to notice, as per the tests conducted at the faculty club of JNU. The Administration urges the campus residents to stay alert, avoid being complacent and keep following the COVID19 guidelines of GOI circulated from time to time. They are also requested to get themselves tested by visiting the Faculty Club where the testing camp has been organised and will continue till tomorrow. It is underlined that a few cases of hostel employees having been infected have been reported and thus hostel residents are advised to be extra careful.

(Dr. Pramod Kumar)  
Registrar

**Circulation**

1. All concerned
2. Director, CIS- with the request to display the above circular in University Website.
