

**School of international studies**  
**Centre for International Trade and Development**  
**Ph.D. in International Trade and Development**  
**(December 2020)**

Ph.D. students are expected to do a 8 credit course work, comprising of one core (compulsory) course and one optional course of 4 credits each. The optional course has to be selected in consultation with your assigned supervisor. Please get in touch with CITD office immediately to know your official supervisor for Ph.D.

**Please note that the structure of courses offered for Ph.D. has been modified due to disruptions to the teaching schedule caused by the Covid pandemic.**
