

**School of Engineering**  
**Jawaharlal Nehru University**

End semester Examination  
(First Semester)

**Important Instructions:**

1. The end term examinations for first semester are between 22<sup>nd</sup> March to 30<sup>th</sup> March 2021
2. The slot for each examination is of three hours. The duration of the examination in the slot provided shall be decided by the faculty
3. The examination will be in the online mode. The type of question paper will be decided by the faculty. It could be an open book examination, Google form-based quiz, examiner.in based exam etc.
4. Students are required to get in touch with the faculty instructor for all the information about the examination
5. In a subjective type examination student must mention his/her name, enrollment number very clearly. Failure to do may result in the answer sheet not getting evaluated
6. Only use of official email addresses will be allowed during the examination. If the answer sheets are mailed or exam given using any other email-address, no evaluation will be undertaken
7. Whatever be the duration of examination, a buffer time of 10 minutes will be given to those who have genuine internet disruptions
8. Proof of any disruption must immediately be communicated to the faculty instructor
9. The decision of the faculty instructor on all matters will be considered final by the school
